Key insights (Q2 FY27)

Revenue is Rs 11,340 Cr, up 23.7% on Q2 FY26. EBITDA is Rs 6,807 Cr, up 22.6%.
The group EBITDA margin is steady at about 60% (60.0% vs 60.5% a year ago), so growth comes from higher revenue, not wider margins.
Domestic ports margin stays in a 71.6% to 74.8% band. International ports margin rose from 24.2% to 47.7% after NQXT Australia was consolidated from Q4 FY26, so that rise is not organic.
Mundra handled 44.9% of domestic cargo, up from 43.4% a year ago.
